

**CDHEA Members,**

The CDHEA annual event is finally here and we are thrilled to present our first ever fall conference. Our three-day event will begin on Friday with Night at the Rounds and the Directors Meeting. Saturday our **6-unit CE** program will be led by Mary Ann Sena-Edelen. Her interactive, engaging presentation is titled, "***Generations: Navigating Challenging Interactions in Higher Education.***" Following her presentation, we will have an opportunity to engage with Anthony Lum and Dr. Adina Petty from DHBC.

During our breaks, lunch, and the Welcome Reception we invite you to visit all of our special support from our sponsors. There are many new corporate sponsors here this year. We encourage you to stop by and introduce yourselves. We appreciate their generosity and couldn't offer wonderful weekend CE programs at a reasonable price without them, so please give them your attention.

Sunday will be a **2-unit CE** program "***Scaling Up Dental Hygiene Education: Establishing a Community College Baccalaureate Program***", presented by Carmen Dones and Aracely Aguiar.

"**Fill the Cassette**", for the Pam Hughes Scholarship fund will be taking place on Saturday and Sunday. More information about this **NEW** fabulous opportunity will be shared on Saturday morning. Bring cash or check written to CDHEA if you did not have the opportunity to contribute through CE Zoom. Our students need support opportunities and 100% of the donations go to the student scholarships!

Masks are optional in the hotel and proof of vaccinations are not required.

We look forward to seeing all of you and being together. Autumn is here!

Warm regards,

CDHEA Executive Board
