 7. The Commission reviewed the report of the Standing Committee on Communication and Technology and adopted the 2024-2028 CODA Communication Plan and Strategy, and Executive Summary Report, with immediate implementation.
 8. The Commission reviewed the Report of the Ad Hoc Committee on Professional Development and Mega Issues and directed that the Ad Hoc Committee coordinate a Summer 2024 Mega Issue discussion on "Artificial Intelligence and Dental Education," and invite no more than two (2) speakers to provide information on the impact of artificial intelligence in dentistry and dental education, with a focus on student/resident/fellow instruction and evaluation for competence.

9. The Commission additionally took the following actions:

All Dental Education Disciplines:

- Directed an Ad Hoc or Standing Committee to investigate in-person, on-site work expectations for program directors to determine if changes are needed in the discipline-specific Accreditation Standards for dental education, advanced dental education, and allied dental education programs.
- Directed establishment of an Ad Hoc Committee composed of all Commissioners who chair the discipline-specific Review Committees in dental, allied dental, and advanced dental education, and additional CODA Commissioners, to study the Accreditation Standards for possible revision related to the letter from The National Coalition of Dentists for Health Equity.

Dental Assisting Education:

- Directed the Review Committee on Dental Assisting Education to further consider potential revision to Dental Assisting Standard 2-1 (Admissions) in conjunction with the Validity and Reliability Study for the Accreditation Standards for Dental Assisting Education Programs that will be conducted in Spring 2024.
- Directed a communication to the CODA-accredited dental assisting education programs, the American Dental Association (ADA), American Dental Assistants Association (ADAA), Dental Assisting National Board (DANB), state dental boards, and state dental associations, to request the information related to dental assisting program closures and discontinuance of accreditation. Additionally, the Commission directed development of educational materials for the public and academic institutions to emphasize the value of CODA-accredited dental assisting education programs. The Commission also directed a formal communication to the American Dental Association's Council on Dental Education and Licensure (ADA-CDEL) to urge CDEL and the ADA to support and encourage students to attend CODA-accredited dental assisting education programs as a pathway to the profession.
- Directed the Review Committee on Dental Assisting Education to further review the faculty-to-student ratios for dental assisting in conjunction with the Validity and Reliability Study for the Accreditation Standards for Dental Assisting Education Programs to be conducted Spring 2024.

Dental Hygiene Education:

- Directed appointment of an Ad Hoc Committee to Study Dental Hygiene Standards Related to Ratios, and to research and review the current faculty-to-student ratios (Dental Hygiene Standard 3-5) and faculty degree requirements (Dental Hygiene Standards 3-2 and 3-6), within the Accreditation Standards for Dental Hygiene Education Programs, with a future report to the Commission on Dental Accreditation.
- Directed an invitation be sent to the American Dental Education Association (ADEA) to submit the names of qualified nominees for selection by the Commission to fulfill the positions of one (1) dental hygiene educator and one (1) predoctoral dental educator on the Ad Hoc Committee to Study Dental Hygiene Standards Related to Ratios.

Dental Laboratory Technology Education:

- Directed the formation of an Ad Hoc Committee of available members of the Dental Laboratory Technology Education Review Committee, and nominated representatives from the National Association of Dental Laboratories, the National Board for Certification in Dental Laboratory Technology, a dental laboratory technology educator, and a dental laboratory technology site visitor to conduct a comprehensive review of the Accreditation Standards for Dental Laboratory Technology Education Programs, and to further discuss relevant issues affecting the dental laboratory technology profession and industry, and how these issues impact CODA-accredited dental laboratory technology education programs with a report for further consideration by the Dental Laboratory Technology Education Review Committee and Commission in Summer 2024.

Orthodontics and Dentofacial Orthopedics Education:

- Directed establishment of an Ad Hoc Committee composed of members of the Orthodontics and Dentofacial Orthopedics Review Committee and nominees from the American Association of Orthodontists to review Standards 2-9 and 2-10 of the Accreditation Standards for Advanced Dental Education Programs in Orthodontics and Dentofacial Orthopedics, with a future report to the Commission. The Commission further directed a communication to the American Association of Orthodontists to request nominations of individuals who may serve on the Ad Hoc Committee to review Standards 2-9 and 2-10, from which the Commission will appoint two (2) to three (3) individuals. The Commission further directed a communication to the American Association of Orthodontists, Council on Education (COE), and Society of Educators (SOE) to request feedback for consideration by the CODA Ad Hoc Committee, including information on this topic from orthodontics and dentofacial orthopedics education programs.

Pediatric Dentistry Education:

- Directed the Review Committee on Pediatric Dentistry Education to reconsider patient age categories and the number of required experiences in patient age categories, related to the anesthesia requirements within the Accreditation Standards for Advanced Dental Education Programs in Pediatric Dentistry.

Oral Medicine Education:

- Directed a communication to the Commission on Dental Accreditation of Canada for an update on the identification of representatives to serve on the ad hoc committee and CDAC's continued interest in reviewing and potentially extending reciprocity to oral medicine education programs.

Orofacial Pain Education:

- Directed the Review Committee on Orofacial Pain Education to meet prior to the Summer 2024 meetings for further discussion and consideration of possible revision to the Accreditation Standards for Advanced Dental Education Programs in Orofacial Pain, particularly related to the baseline competencies for the discipline, with a report to the Summer 2024 meeting of the Commission.
