

- Scholarships are awarded to students of clinical Dental Hygiene programs in California
- Recipients are chosen based on a collaborative decision among all program faculty
- To be eligible, the school's program director must be a CDHEA member
- Submission invitation is emailed to program directors
- Donations to the scholarship fund are accepted at any time using the scholarship donation link or scholarship special events tab during CEZoom registration

Selected students should possess the following qualities exhibited by Pam:

- |                        |                          |
|------------------------|--------------------------|
| • Passion for Learning | • Critical Thinker       |
